St. Mary's Cemetery operates for the purpose of providing sacred burial for parishioners of St. Mary's Parish<sup>#</sup>. Non-parishioners, who are immediate family members (first generation) of a current or deceased parishioner, may purchase plots at a higher price.

All work at the cemetery is performed by cemetery employees or those directly contracted by the cemetery. No individual or contractor is permitted to perform any work, repair, landscaping, etc. of any kind within the cemetery.

Ground burial plots require an outer liner, **not** provided by the cemetery. Customers may purchase this through a Funeral Home. Plots are sold without a memorial marker or engraving. The customer is responsible for obtaining their own memorial or engraving from an independent dealer. The dealer must submit for approval, a completed *Application to Erect a Memorial* permit prior to acceptance by the cemetery. The permit and/or memorial will be rejected if it does not meet our rules and specifications. Dealer specifications for memorials are available at the cemetery office. Cemetery personnel install the memorial marker.

# Parishioner status is determined by church registration records and tithe history.
